The set includes 48 of the 192 pins on a small rotating stand.

The collection includes animal motifs, kawaii patterns, and other popular styles.

Stand dimensions:

Height 50 cm / Width 30 cm

Height 185 cm / Width 40 cm

TUBES ZOO MIX

The box contains 2 versions of tubes: the "Animals" version, containing 6 tubes, and the "ZOO" version, containing 12 tubes.

FAS037664

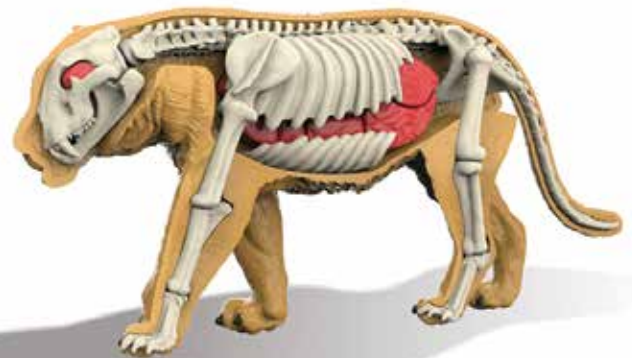

FAS036751

Kits for assembling 3D animal models with visible skeletal structure and internal details. The parts are assembled according to the instructions. The finished figures are suitable for play or display.

3D ZOO MUGS

A ceramic mug with an unusual shape and three-dimensional animal motifs. Carved handles and figurines give the product a playful character. Each model is visually unique and makes an ideal gift or souvenir.

A collection of shaker cups in a wide range of designs and attractive styles.

These 450ml shaker cups are double-walled for excellent insulation (the cup doesn't sweat or slip). This makes them perfect for any occasion.

Each cup comes with a screw-on lid and a straw with a spill-proof stopper. Some models also include a silicone straw in various designs.

The ZOO Slingshot is a colorful, safe toy that allows children to practice their aim and dexterity just like little animals from a fun zoo.

A range of souvenir products, personalized specifically for your facility. Our offer includes a wide selection of gift items. Various sizes and types of ceramic, wooden, and amber magnets, keychains, and enamel and ceramic mugs. Our team of graphic designers can create any motif and graphic upon request.
